## **Lord take away all hesitation**

Lord hear me pray! Lord hear me pray!

### **Frauen**

Lord take away all hesitation  
You are the light of my salvation  
I wanna be within Your nation, oh Lord

### **Alle**

Lord take away all hesitation  
You are the light of my salvation  
I wanna be within Your nation, oh Lord

### **Alle**

I wonder who!  
I said a who!  
I wonder why!  
Ooh,  
Kneel and pray  
Give me a sign!  
Don't need no lion!  
Give me a hand!  
Ooh  
Night and day.

### **Solo**

Who's gonna call Your name?  
Who's gonna be in flame for You?  
I wonder why you often seem to be,  
so far away when I  
  
Give me a sign, so I can be secure  
Don't need no Lion to feel superior  
Give me a hand to guide me on my way, when I'm up  
when I'm down
